Scholarship Awards

This year, hundreds of De Anza College students were awarded scholarships worth half a million dollars.

The **President's Award**, in the amount of \$2,000, is presented annually to graduating students who have overcome significant adversity and shown great perseverance in seeking an education at De Anza.

Jacqueline Do and her mother, Leslie Luong, are both graduating today. Do's older sister also attended De Anza before transferring to UC Berkeley. When Do was having trouble concentrating in classes at Monta Vista High, it was her sister who suggested the Middle College program as an alternative.

"Even though I did well academically, I struggled on many different levels," said Do. "I needed to pave my own path toward success."

Middle College allows students to earn high school and college credit simultaneously. Students take all their classes at De Anza. It was here that Do was tested for and diagnosed with ADHD.

"Knowing I have a community that is so supportive of differences gave me the courage to get tested," said Do.

Do has been a swimmer for 13 years, and was a runner-up for the Athletics Department's Scholar Athlete of the Year. With her A.A. in Liberal Arts, Science, Math and Engineering emphasis, Do is transferring to UCLA to study psychobiology.

Yatziry Ortiz was three years old when her parents immigrated to the United States from Guerrero, Mexico. Her mother was always proud of coming to the U.S. to give her children a better life. However, when Ortiz's grandfather died in Mexico, her mother could not attend his funeral for fear that she would be unable to return to the U.S. Her sorrow had a profound impact on Ortiz.

"Witnessing my mother's state of despair made me realize how significant her sacrifices are," said Ortiz. "It was time for me to make sacrifices for my mom."

Ortiz realized she could be an advocate for the undocumented community and help ease others' pain. She has volunteered with Higher Education for AB540 Students (HEFAS). She was also a student ambassador for the Outreach Office and a member of the Honors program.

"De Anza does a good job of helping students out," Ortiz said. "I've met a lot of professors who really inspired me." Ortiz is transferring to UCLA to study cognitive science and plans to work on education reform.

The **A. Robert DeHart Memorial Scholarship** for service, worth \$2,000, is awarded each year in honor of the first president of De Anza College. DeHart served as president for 25 years, from the college's founding in 1967 until 1992.

Veeral Patel was part of College Now, a program for Fremont Union High School District seniors to earn college credits while completing FUHSD graduation requirements. Patel graduated from Fremont High two weeks ago, and today receives his A.A. in Liberal Arts, Business and Computer Information Systems emphasis. "A counselor at school told me about it," Patel said of the College Now program. "The class timing is great, and I like the quarter system."

In the fifth grade, Patel's hacking skills got him into trouble. He later realized that he could turn his skills into a profession. "I started channeling all my pent-up passion for hacking to do some good," he said. "I want to use my talents to help others."

Patel has worked with CompTechS at De Anza, helping to refurbish computers donated for low-income students. He is transferring to UC Berkeley and plans to eventually earn a master's degree in computer science.

Commencement Speaker

Mia X. Hernandez, political science major and the winner of the \$20,000 Karl S. Pister scholarship to the University of California, Santa Cruz, is this year's commencement speaker.

Hernandez is a community organizer and was an active member of Latina/o Empowerment at De Anza (LEAD), serving as a mentor and co-president. She was also active in the Vasconcellos Institute for Democracy in Action (VIDA) and obtained its Leadership and Social Change certificate. She was one of the first participants in VIDA's Public Policy School.

Hernandez was also instrumental in developing Familia Online, a supportive community for online students. She fought to raise the minimum wage and reform Proposition 13, interned with the Faculty Association (FA) Political Action Committee, and trained students on effective messaging at Campus Camp Wellstone. She served two terms as a De Anza Associated Student Body (DASB) senator and chaired its Environmental Sustainability Committee.

Hernandez will major in Community Studies at UC Santa Cruz and continue to advocate for change locally and nationally.

Student Leadership Awards

The annual Student Leadership Awards honor graduating students for their leadership on campus. The awards are sponsored by the Vasconcellos Institute for Democracy in Action (VIDA) and the De Anza Associated Student Body (DASB).

Academic Regalia

The academic costume worn today can be traced back to the European universities of the 12th and 13th centuries, where scholars and clerics wore hoods and robes to stay warm in unheated buildings. Use of the academic gown came to the United States in 1754 with the founding of what is now Columbia University. Until after the Civil War, students at most universities wore caps and gowns daily while in residence.

Academic dress consists of the cap, gown and hood. The mortarboard is a head-hugging cap topped with a square flat surface from which a tassel hangs. Styling of the gown varies according to the degree of the wearer. An associate's degree gown displays the college colors. A bachelor's degree holder wears a simple black gown with long, pointed sleeves. Those with a master's degree wear a more elaborate gown with slit openings in the sleeves. The doctoral gown has bell-shaped sleeves, velvet panels down the front and around the neck, and three velvet bars on each sleeve. In the hoods, the color of the velvet border indicates the type of degree held, while the color of the lining designates the official colors of the institution granting it.

Colors symbolizing academic areas of study are:

Arts, Letters & Humanities	White
Business	Olive
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts & Architecture	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon Yellow
Medicine	Green
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Golden Yellow
Speech	Silver Grey
Theology	Scarlet

De Anza College Overview

De Anza College offers a broad range of academic and career programs, cultural activities, sports and social events to about 23,000 students each quarter. Students can earn associate degrees in 63 fields of study and 94 certificates of achievement. About 40,000 friends and neighbors participate in De Anza's Community Education programs each year, including noncredit Short Courses and the Extended Year Summer Enrichment Program for youth.

Students attending De Anza enjoy the full college experience. They can join a club or start a new one; walk through time at the California History Center; visit the stars at the Fujitsu Planetarium at De Anza College; explore the diversified ecosystems of the Cheeseman Environmental Study Area; exercise in the Lifetime Fitness and Wellness Center between classes; or participate on a sports team – there are plenty to choose from. An education at De Anza isn't just about books and tests; students also discover a diversity of people representing cultures from around the world and learn how to become fully engaged, politically aware citizens. The college's Vasconcellos Institute for Democracy in Action helps to advance this goal.

Learning at De Anza College happens in state-of-the-art facilities, many funded through voter-approved Measures E and C construction bonds. The college is committed to environmental sustainability in building design and operations.

De Anza consistently ranks at or near the top among California community colleges in the number of transfers to CSU and UC. De Anza's top transfer institutions include UC Berkeley, UC Santa Cruz, UC Davis and UC San Diego as well as San José State University and San Francisco State University.

Mission Statement

De Anza College provides an academically rich, multicultural learning environment that challenges students of every background to develop their intellect, character and abilities; to realize their goals; and to be socially responsible leaders in their communities, the nation and the world.

De Anza College fulfills its mission by engaging students in creative work that demonstrates the knowledge, skills and attitudes contained within the college's Institutional Core Competencies:

- Communication and expression
- Information literacy
- Physical/mental wellness and personal responsibility
- Civic capacity for global, cultural, social and environmental justice
- Critical thinking
